

**Practice questions**

1. Which of the following are qualitative variables?
  - A Mass measured in kilograms
  - B the number of apple varieties sold
  - C The number of days it rained
  - D Hair colour
  - E Average daily temperature
  - F Apple variety
  - G Height measured in metres

**Answers:** D (hair colour) and F (apple variety). Qualitative variables are those that express a distinguishing attribute such as eye colour, religion, gender, and so on.
